Track 48V

Design officinadiarchitettura&design

CEILING WALL	TRACK System	
Code	U7343	
Description	Low voltage 48V electrified track for ceiling, wall, suspension applications length 3m	
Year of production 2019		
Туроlоду	ceiling wall track system	
Material	aluminium	
Light Emission	nn	
IP grade	20	
Allimentation	48Vdc	
Finishes	.01 White	
	.02 Black	
Light source		
Net weight	4,56 lb
